Shirpur,  
Dhule (M.S.)

Sub:- Recognition of Institutions.

Sir,

The Western Regional Committee, NCTE by the authority vested in it as per Section 14(3)(a) of the NCTE Act, 1993 after considering the inspection report, is of the opinion that the various facilities available in your institution are far below the NCTE norms. In this connection the following deficiencies have been found:-

- (i) Separate building for college has not been provided.
- (ii) Principal and qualified staff has not been appointed duly selected by UGC Selection Committee.
- (iii) Separate library has not been maintained.

The institution should see that the deficiencies mentioned above are removed and report submitted to the Regional Office by 30-04-97.

Since your's is an existing institution where the students are already undergoing the course, you are allowed to continue the course for the academic session 1996-97.
