1.1 - Curriculum Planning and Implementation

1.1.1 - Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The College being an affiliated institute follows the curriculum prescribed by the KBCNMU university. In line with the curriculum, the college follows a systematic approach to develop and deploy action plans for effective implementation of the curriculum as given below. At the beginning of every academic year, the first staff meeting is called to discuss about curriculum related activities such as syllabus change, teaching plan, syllabi content, books required in the library as per the new syllabus etc. The Principal, IQAC, and Head of Departments (HODs) discuss and prepare the academic calendarconsidering Internal Examination (IE) schedules and other academic and extension activities.

2.3.2 - Students mentoring system available in the institution? Give details. (maximum 500 words)

The college brings in practice mentor-mentee system especially for 7 methods where the attainment is measured through various competitions and activities. In the beginning of the year Student council was made and regular meeting arranged by posting it on the time table. In the group meetings the staff, student teachers meet informally and discuss the strength, triumph, challenges of student teacher. Difficulties faced by teacher in class test ,examination, difficulties in attending college due to personal problems are addressed. This is further shared among the faculty and with the principal. The mentor meeting help student teacher to deal with academic stress and difficulties at the same time address personal problem with their teacher on a one-to-one basis. This council also help student teacher to share, assist and motivate their peers. These collaborations make sailing through a course easy for student teacher. When they know that they have a friend in the institution to provide all the necessary emotional and moral support.

happiness, healty environment. 2. The students , faculty use the college campus for walking and playing different games. 3.Ban on Plastic was helpful for all to clean the environment as well as cleanliness. Resources Required: For this programme financial resources are needed, without this it can't secure success. The co-ordination from the Institute trustees was helpful for this practice. The programmes of other schools and colleges were organized in our college campus so that the external faculty and students understand the importance of environment as well as cleanliness. Problem encountered: When the external college student's programme was arranged sometimes the issue of cleanliness was occurred so instructions was given to such students. Resources Required: Plants, financial support, water facility etc. 2. Yoga Training Objectives of practice 1.To introduce seats in sitting position.2. to explain the action of these in the sitting position. 3. to practice the asanas in the sitting position. 4. To study the effect of sitting position. 5. to explain the advantages of seeds in a sitting position. 6. To explain the care and vigilance to be taken while in the sitting position

7.3 - Institutional Distinctiveness

7.3.1 - Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The students are given an opportunity for developing their intellectual curiosity and devotion to knowledge, thereby preparing them for a proactive role in effecting change in their own life and the world at large. The holistic development of the students is achieved by facilitating their participation in various activities: academic, social service, leadership, cultural etc. Students are provided exposure to advanced learning through research projects, exhibitions and seminars. Students are also encouraged to take part in competitions, seminars and workshops organized by other institutes. The College also reflects its broad vision through its different units. Adequate ICT infrastructure and other resources are made available for enhancing teaching learning techniques like class room enabled projectors and laptops etc. Provision of these resources have definitely enhanced the quality and pedagogy of teaching learning. Recreational activities and other celebrations are regularly held to build team spirit and oneness amongst the staff. The team work of the entire staff has been acknowledged by outsiders. These initiatives have definitely created a healthy work culture leading to job satisfaction which has resulted in retention of the staff for years together. The progress helps the faculties to have the sense of belongingness towards the institution.
